Illusion Series Now Standard With Self-Diagnostics

LightGuard is proud to announce that the extremely functional Illusion series is now being released with our Smart Charger diagnostics platform as a standard feature. The ceiling and wall recessed Illusion series is ideal for this advanced charging and diagnostics enhancement, adding yet another level of product technology to the industry's most performance driven product. The following list highlights a few of the exceptional features now available:

- ◆ On-board IR receiver for ease of testing with the optional remote test device
- ◆ Standard Smart Charger diagnostics ensuring product readiness
- ◆ Optional self-testing diagnostics to satisfy monthly periodic testing requirements
- ◆ The most sophisticated charging system available on the market
- ◆ Brownout detection
- ◆ AC lockout mode
- ◆ Load loss detection
- ◆ Low-voltage battery disconnect

Should you have questions or concerns regarding this matter do not hesitate to contact us directly. Thank you for your continued support!
