LightGuard's SurePath Undergoes Name Change

Due to unforeseen marketing conflicts related to emergency lighting, LightGuard is changing the name of the SurePath product to the NightWatch series. Please be aware that this name change in no way alters the product nomenclature or availability, it is simply a name change.

All product marketing materials related to the NightWatch series will be updated on the web site immediately while printed literature will be updated at the next printing cycle. We do not anticipate any conflicts with outstanding specifications and anticipate a smooth transition with the product name.

As always, should you have any questions or concerns regarding this matter please do not hesitate to call us directly. Thank you for your continued support.

*Remember to keep **LightGuard** in mind for all of your emergency lighting needs!*
