Product Bulletin

Decorative Remote Lighting Fixtures

Please take note that effective immediately, the SG Series gimbal light fixture is no longer available in a surface mount. The RG Series will remain available in the recessed mount configuration.

The specification sheet has been updated to reflect this change. Also, the distributor pricing schedule has been updated and is available in the Agent Log-In section of the website. As always, should you have any questions or concerns regarding this bulletin, please do not hesitate to contact us directly. Thank you for your continued support.

*Remember to keep **LightGuard** in mind for all of your emergency lighting needs!*
